

# REIX

MAY 2022

ISSUE 9

## Welcome to May's REIX Review!

It's been a productive spring so far as we've been working behind the scenes, launching our new [Broker Series](#) as part of the [Risk Management Support Program](#) (RMSP) and keeping up with the many claims that come from a busy real estate market. In this issue of the REIX Review, we've curated our most recent blog

posts, along with other information and news – all in one place – so that you can stay current and up to date!

---

## **Beating Risky Business Before it Starts**

The life of a real estate broker can sometimes feel like walking a tightrope while performing a juggling act. Lose your focus and it could result in a nasty spill.

---

## Your Premium at Work

Inflation may be sky high and house prices through the roof, but there's one number that remains unchanged – your premium. For the fifth year in a row, REIX is maintaining its premium for your errors & omissions insurance.

## 2021 REIX Annual Report

If you haven't seen it already, take a look at this year's annual report to see how we, as an organization, have been doing. The report includes messages from the Board Chair and CEO, a look at our financials and claims updates.
